There's been strong interest in the **ITCO 2024 Golf Tournament** – thank you to all those who've already registered to participate.

Please find below an update on practical arrangements – and a reminder of the link to register yourself and your colleagues.

Venue, Date and Time

The **ITCO Golf Tournament** will take place at the **Cypress Lakes Golf Club** (www.cypresslakesgc.com) on Monday October 28th.

Welcome refreshments will be served from 10:30am onwards. The Tournament will **commence at Midday** – and we aim to finish by 4:30pm. This is to ensure we are back at the Woodlands in time for the **“Welcome to Houston” Evening Reception**, commencing 6:00pm.

Competition Format – all standards welcome

The Tournament will be organised as a “Texas Scramble” (groups of 4 starting from each of the 18 holes simultaneously).

It will be played as a “Better Ball” Competition – details will be given to participants before the start. Participants of all standards are encouraged to participate!

Prizes will be awarded for the Winning Group, plus 2nd and 3rd places. Also, for a number of other “achievements” made during the round!

Practical Matters

- **Numbers:** We are limited to a maximum of 72 players – with bookings taken on a “first-come, first-served” basis. To guarantee your spot, please **REGISTER** as soon as possible
- **Golf Clubs:** The Golf Course is **not able to rent out Golf Clubs**. So, if you cannot bring your own set of Clubs, please arrange with a colleague to borrow a set
- **Transport:** If there is sufficient demand, we will arrange for a bus to take players from the Cypress Golf Course back to the Woodlands, in time for the Welcome Reception.

Register to Participate – Multiple bookings possible

As mentioned, we're already receiving many registrations for the Tournament. You can book just one space for yourself. Or if you want to book a group, you are welcome to do that (and you can confirm the names of the other players later).
